Dear UCSD Chicana/o Alum:

We invite you to participate in the UCSD Chicano Alumni Association Mentoring Program for UCSD students and alumni. Your accomplishments mean a lot to the Chicano/Latino community not only for completing an academic degree/project at UCSD, but also serving as a resource and community leader. Through a survey we administered, we found that our current UCSD undergraduate students shared an interest to participate and network with a professional mentor like you.

Your participation will provide a valuable service to our Chicano and Latino student community by assisting these students to achieve their academic and professional goals; others might be seeking job search advice and suggestions for how to break into the field. In all cases, the information and personal insights provided by a professional like you in the working world is invaluable to our students.

This program is intended to be an informal activity that will allow each mentor to determine the amount of time that he or she will be able to contribute to the program. However we do request that you commit a minimum of two hours per month per student you wish to mentor, and that you mentor at least one student per academic year.

We envision that each mentor will be able to provide each student with information pertaining to their own experiences at UCSD, current professional advice, and general guidance in helping them reach their own individual academic and professional interests.

If you would like to be part of this experience, please take a few minutes to complete the attached form. If you have any questions you can always reach us at the UCSD Alumni Association webpage <http://alumni.ucsd.edu/chapters/chicano> or e-mail us at [chicanomentor@alumni.ucsd.edu](mailto:chicanomentor@alumni.ucsd.edu). Please return your completed form as an attachment to the e-mail above, mail it to the address below, or if you prefer, fax to: (858) 534-8976; Attention: UCSD Chicano Alumni Mentor Committee.

We thank you for your interest and hope to hear from you soon.

Sincerely,

UCSD Chicano Alumni Association/Constituent Chapter, Mentor Committee
